Remember:				
March self-sub competitions are non-qualifying & will not count as cards towards those needed for eligibility for Lady Captain’s & Lady President’s Days. There will be no reserved times on BRS for these March competitions & anyone with a Handicap Index may mark your card.				
Medal competitions are on a Sunday/Tuesday (April-July), will include a ‘Twos’ competition, no reserved BRS times for Medals & anyone with a Handicap Index may mark your card.				
As well as Medals, all Stroke competitions, outwith the Majors, are now Par +7 Max. Score. ie once you reach the par of the hole + 7 shots, pick up your ball & record the Par +7 on your scorecard.				
The alternate day Cup competitions in September, as well as the one in July, are designated ladies’ competitions. In your BRS time-slot, you must only play with & only have your card marked by another lady member. This also applies to the April and September All-Prize Days. As agreed at the 2023 AGM, failure to comply with this competition rule will result in disqualification from the competition but your score will still count towards your handicap index. N.B. There are no reserved BRS times for September competitions.				
All singles 18 hole competitions will have an equivalent 9 hole competition.
